Lt. General Lincoln D. Faurer, USAF
Director, National Security Agency
Fort George G. Meade, Maryland 20755

Dear Linc,

Thank you for drafting that excellent "Guideline" memorandum which I have signed and sent on to HFIB and NFIC.

I fully agree that we must take definite steps to stop the incipient flood of unauthorized disclosures relating to the shutdown, and your memorandum will leave no doubt as to what people may and may not discuss on this subject.

Sincerely,

William J. Casey
